

SUMMER JETTING OF SEWER LINES

The Village of Minong is planning a summer jetting project in certain areas of the Village. The exact areas have not been determined, but you as a homeowner can still be prepared by keeping the toilet lids down in your home this summer because high pressure through the sewer lines can cause what is known as a “burp”. By keeping your lids down it will keep undesired sewer sludge from coming up out of the toilet. Be on the lookout for a big yellow truck this summer.

Filling your Pool This Summer?

Please be advised that the Village of Minong will no longer allow residents to call in with their pool fill information. We will be enforcing our ordinance under section 26-60 Bulk Water: All bulk water supplied to fill tank trucks or swimming pools from the water system through hydrants or other connections shall be metered. We will require residents to pay a \$40 refundable deposit to pick up a meter before the pool is filled and return the meter once finished so that we can get a more accurate water reading. If you have further questions, please call the village office at: 715-466-2322.

FRIENDLY REMINDER OF PARKING ORDINANCES SEC. 18-68

No person shall park a vehicle for more than 30 minutes between 2:30 am and 6:00 am on any street, highway or alley within the village except where permission to do so has been obtained from the police department. In emergency or to facilitate snow removal, any law enforcement officer and or village street employees may cause to be removed any vehicle parked on the street, highway or alley in violation of this restriction. The cost of such removal shall be charged to the owner of the vehicle and shall be in addition to any forfeiture imposed as a penalty.

UPCOMING PARTISAN PRIMARY AUGUST 11, 2020

Another election is coming up! So, what is the Partisan Primary? Why are there so many ballots? Why can I only choose one ballot? It's all about the "Parties" in a Partisan Primary. Voters select a candidate to be a political party's nominee for a given office in advance of an upcoming general election.

In order to narrow the field of candidates for the upcoming general election you must choose a party ballot, whether that would be Republican, Democrat, the Constitution Party, the Libertarian Party or the Green Party. You are choosing candidates based on the party ballot, If you vote for different candidates on more than one ballot your vote will not be counted. So, take your time, read the ballot instructions carefully before choosing your party ballot.

Please remember to make sure you are registered to vote. You can check that information online by going to: www.myvote.wi.gov, on the main page and click on "My Voter Info". If you are not registered click on "Register to Vote" on the main page to register. As always, a current government issued ID is required to vote in all elections. That includes a Wisconsin Drivers License or Identification Card, unexpired Military ID, Tribal ID Card, or Certificate of Naturalization. You can find out more at: www.bringit.wi.gov.

The Presidential General Election will be held on November 3rd, 2020.
