NOTICE TO PROPERTY OWNERS REGARDING THE KEEPING OF CHICKENS

Registration with the State of Wisconsin - Department of Agriculture, Trade and Consumer Protection is mandatory for premises where poultry (chickens/hens) are kept. A copy of this must be given to the Village clerk. Registration with the State should be done as soon as animals are added to a premise and must be renewed every three (3) years. It is important to keep the information accurate to ensure animal health officials have the information in the event of an animal disease outbreak.

There is no charge to register the premises.

Registrants receive a unique premises registration number printed on a convenience plastic card, which can be carried in a wallet or placed on file.
